Two doses of influenza vaccine may be recommended for some children, depending upon their prior vaccine history.

If your child has already received these immunizations, present the official immunization record to the school nurse or principal. Please ask your health practitioner to be certain to enter all vaccines received, even if given in another office, into the Citywide Immunization Registry (CIR). Please find attached a copy of the Immunization Requirements for the 2016-2017 School year. For information on where your child may be vaccinated call 311.
