Mission Statement

The Rosalyn Yalow Charter School will eliminate the learning achievement gap for economically disadvantaged urban children—including special needs students and English language learners—by using engaging and demanding education; a team teaching model, linking an experienced teacher with a licensed social worker in grades K-2 and with a teaching fellow in later grades; rich extracurricular activities (fencing, arts, chess) to educate the whole child; and family support counseling—all in order to graduate our students at or above grade level in literacy and math.

Vision

Yalow's goal: Developing the whole child, encouraging each young student to excel.
